Production Draft - February 20, 2010

FADE IN:

EXT. ROBINSON HOUSE - YARD - DAY

Ernie sits or lies down in his tent.

ERNIE

This was supposed to be my big weekend. Away with the boys. MEN. With nature. Top of the food chain. No one to answer to but God and the testosterone that courses through our veins...But, where am I?

Ernie turns camera/computer toward house. We see he's in the backyard.

TONI

Dad, Mom wants to know when you're coming back inside? She already picked up your suit from the cleaners.

VANESSA

Tell him I said get in here.

Ernie turns camera back to himself as Vanessa impatiently approaches.

ERNIE

Never plan your getaway during wedding season.

VANESSA

If you make us late again, you can just stay out here, Grizzly Adams.

ERNIE

I don't see what the big deal is. Being on time for her sister's first two didn't seem to make much of a difference.
