

Siblings and Other Torture Devices (Romantic Comedy)
by Kenya D. Williamson

Logline: After her fiancé dumps her, carefree Kelly Hicks decides she'll be a lot more like her sister – cool, calculating and a lot more discerning as to whom she gives her heart. But, the best friend who already loves her isn't crazy about the new makeover.

Synopsis: Kelly always knew her older sister connived to get most everything she had. But, on paper, Allison's life was perfect. She had the career, a house and a family. So, when Kelly's long-devoted boyfriend dumps her via voicemail, she starts wondering if her sister isn't onto something.

Chasing a too-suave playboy, Kelly battles frizzy hair, her sister's insults, an inconsiderate roommate, an insatiable craving for carbs, a co-worker she's sure is after her job and mixed feelings for the best friend who suddenly wants to be holding her instead of one of his typically wafer-thin, model clients.

So, with her love life, mortgage payment, friendships, career and dress size on the line, Kelly faces off with all her foes -- related and not -- and discovers the freedom of following her heart. Now, if she could only find the right conditioner...
